# Around the Bible in 180 Days

## Map 2 of 2 / July-September

Continue the adventure with us. Together we are reading 180 selected passages in rough chronological order, from each book of the Bible. We'll read Psalms written by David as we read about his life. We'll read the prophets along with their history in Israel and portions of the Gospels that give a composite picture of Jesus' life. Key chapters from Paul's letters are highlighted. Journey through the Bible with us from April till September!
